	<hr/>
	\$9,406.60

Article 6. To see if the Town will vote to raise and appropriate the following sums of money for the following purposes:

Conway Library	\$ 125.00
North Conway Youth Project	327.00
Conway Recreation Center	750.00
	<hr/>
	\$1,202.00

Article 7. To see if the Town will vote to raise and appropriate the sum of \$4,457.00 as its portion of a subsidy to guarantee ambulance service to the Town.

Article 8. a. to see if the Town will vote to raise and appropriate the sum of \$338.48 for Town Road Aid (TRA).

b. To see if the Town will vote to raise and appropriate the sum of \$45,000.00 (including Block Grant) to maintain its highways and bridges.

Article 9. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 as its portion of the cost of a new bridge across the Chocorua River.

Article 10. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to begin the microfilming of permanent Town Records.

Article 11. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to debug and fumigate Town records, and waterproof and dehumidify the Town Vault and Town Office storage area.

Article 12. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to install dry hydrants on Route 16.

Article 13. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to purchase and install electrical composting toilets in the Town Hall and Town Office Building.

Article 14. To see if the Town will vote to adopt Amendments to the Albany Zoning Ordinance as proposed by the Planning Board and discussed at public hearings on January 6 and January 27, 1983. (This Question by Official Ballot)

Article 15. To see if the Town of Albany will vote to authorize and empower the Planning Board to review the site plans for non-residential and multiple-family uses pursuant to N.H. RSA 36:19-a.

Article 16. To see if the Town will vote to raise and appropriate the sum of \$100.00 for the support of the Eastern Slope Airport Authority.

Article 17. To see if the Town will vote to raise and appropriate the sum of \$982.00 for its portion of the Mt. Washington Valley Solid Waste Cooperative Capital Reserve Fund.

Article 18. To see if the Town will vote to join the New Hampshire Resource Recovery Association. (Dues \$20.00 per year)

Article 19. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the Albany Historical Society to have the book "Passaconaway in the White Mountains" by Charles E. Beals, Jr. reprinted and to celebrate the 150th anniversary of the Town as Albany.

Article 20. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for the use or set-offs against Budget Appropriations for the following priority purposes and in the amounts indicated:

Fire Department	\$3,199.25
Town Dump	<u>3,000.00</u>
	\$6,100.25

Article 21. To see if the Town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of Albany and the Health and Welfare of the people of Albany.

These actions shall include:

1. Reduce by at least half the major cause of acid rain, sulfur dioxide emissions, by the year 1990.
2. Conclude negotiations and adopt a treaty with the government of Canada that will commit both nations to this same goal.

The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation and to the President of the United States.

Article 22. Nonbinding Referendum. To see if the Town will vote to ask the Planning Board to change the 2-acre lot designation to a 1-acre lot designation.

Article 23. Nonbinding Referendum. To see if the Town will vote to ask the Planning Board to permit either residential or commercial use of any land abutting Route 16.

Article 24. To see if the Town will vote to ask members of the New Hampshire Congressional Delegation to support or co-sponsor a resolution in the U.S. Congress to:

Request the President of the United States to propose to the Soviet Union that the United States and the Soviet Union adopt a mutual freeze on the testing, production, and deployment of nuclear weapons and of missiles and new aircraft designed primarily to deliver nuclear weapons, with verification safeguards satisfactory to both countries. (By Petition)

Article 25. To see if the Town will vote to authorize the Selectmen to accept gifts and/or Federal or State Aid in the name of the Town of Albany.

Article 26. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Article 27. To see if the Town will vote to authorize the Tax Collector to accept the payment of Resident Tax and Property Tax in advance.

Article 28. To see if the Town will vote to authorize the Selectmen to sell, at their discretion, at public auction, any real estate in the Town to which the Town has title by Collector's Deed; except when it is being sold back to the former owner, in which case private sale may be utilized; any such real estate to be sold and conveyed on or before the next annual Town Meeting.

Article 29. To act upon any other business that may legally come before the meeting.

Given under our hands and seal the 8th day of February in the Year of our Lord, nineteen hundred and eighty three.

THE ALBANY CEMETERY ASSOCIATION REPORT - 1982

It was a hectic year for the Chairman initially with the loss of two members and the addition of two new members.

The new committee has been meeting, however, on a monthly basis since October, and we are looking forward to a better year ahead with the new membership.

Our primary goal for the ensuing year will be to pursue work on the High Street Cemetery.

Some much needed site work will be done on some of the older graves that are starting to deteriorate.

We would like to thank Charlie Robbins and Ed French for their careful and thorough upkeep of the cemeteries this past year.

JULIE BUTLER
BEVERLY KLITSCH
RICHARD WALES

Beverly Klitsch
Treasurer

I have examined the records of the Albany Cemetery Association on February 12, 1983 and find them to be correct.

Ana W. Croto
Auditor

ALBANY HISTORICAL SOCIETY REPORT

During the past year, the Historical Society has been working on a number of things.

At one of our meetings, Mrs. Marion Nickerson came and gave us two large pictures. Portraits of Abigail Allard Ham, who was born in Burton and James Ham. Mr. and Mrs. Ham were Mr. Nickerson's great grandparents.

Mrs. Fay has given Ann Croto more memorabilia for the Historical Society.

I have compiled an inventory of the Town Records for use of the Town, the Historical Society and others wishing information on the town.

At a November meeting, we again discussed the Town vault. The condition of the vault at present is not good for the records kept there. A representative from the New Hampshire Historic Preservation Office in Concord came to the Town Office to talk with Mrs. McKenna. Mrs. McKenna and I went with him to the Town Hall to look at the vault and the books stored there. The town has received his recommendation as to what should be done to the vault and the restoration of the Town Records.

This year is the 150th year of the Town under the name of Albany. We are planning an open house to celebrate the occasion. We are hoping that we will be able to get the book, "Passaconaway in the White Mountains", by Charles E. Beals Jr., reprinted as a project to be sold at that time. The proceeds from the book will be used to reimburse the Town for the money we are asking for in the article this year.

MARY I. LEAVITT
President

REPORT OF THE PLANNING BOARD FOR 1982

The Planning Board was formed in 1979 in an effort by the people of Albany to have a choice in the future development of their town. With the approval of the Zoning Ordinance at last year's Town Meeting and the Subdivision Regulations the year before, the town now has the two major tools it needs to see that the desires and needs of the people are not overlooked in the evolution of the Town.

The Zoning Ordinance, for example, has already provided the insurance that a water slide would not be built on Route 16 without a public hearing and subsequent approval by the Board of Adjustment. And with six subdivisions having been applied for and approved by the Planning Board in 1982, we are seeing that land development is continuing in the direction outlined in our Master Plan.

In addition to administering the Subdivision Regulations, the Board has been busy this year primarily in organizing a new filing system, designing an amendment to the Zoning Ordinance which reflects numerous changes recommended by our Town Counsel, and incorporating the Amendments to the Subdivision Regulations into the original text.

In the upcoming year, the two major projects for the Board are to begin work on incorporating the Town Sign Ordinance into the Zoning Ordinance (as recommended by our attorney) and to begin reviewing the Master Plan which is due to be updated in 1984.

We would like to welcome anyone interested in participating in these projects to join us in our regularly scheduled meetings at the Town Offices on the second Tuesday of every month at 7:30 PM or contact any of the Board members to express your views.

Thank you,
H. MARC DONALDSON

PROPOSED AMENDMENTS TO THE ALBANY ZONING ORDINANCE

1. Art. III, Section B, Par. 3

Presently reads: Dwelling - a building which contains living and sleeping accommodations for permanent, or seasonal occupancy and which has a state-approved sewage system, but not a mobile home.

Proposed: Dwelling - a building which contains living and sleeping accommodations for permanent, or seasonal occupancy and which has a sub-surface drainage system.

2. Art. III, Section B, Par. 5

Presently reads: Lot - a parcel of land occupied or to be occupied by a building, together with such open spaces as are required by the provisions of this ordinance.

Proposed: Lot - a parcel of land as required by the provisions of this ordinance.

3. Art. III, Section B, Par. 12

Presently reads: Variance - a variance is a relaxation of the terms of this Ordinance where such variance will not be contrary to the public interest and where, due to conditions peculiar to the property and not the result of the actions of the applicant or owner, a literal enforcement of the Ordinance will result in unnecessary or undue hardship. A variance under this Ordinance may be authorized only for height, area, size of structure or size of yards and open spaces. Establishment or expansion of a use otherwise prohibited shall not be allowed by variance. Nor shall a variance be granted because of the presence of non-conforming uses in the particular zone or an adjoining zone.

Proposed: Variance - a variance is a relaxation of the terms of this ordinance which may be granted where appropriate in accordance with RSA 31:72.

4. Art. V., Section B

Presently reads: Nonconforming uses permitted by Section A may be expanded only upon approval of the Board of Adjustment which shall first find: (1) such expansion or extension does not create a greater nuisance or detriment; (2) the expanded uses are in conformity with the requirements of Articles VII, VIII and IX of this ordinance.

Proposed: Non-conforming uses permitted by Section A may be expanded only upon approval of the Board of Adjustment which shall first find: (1) such expansion or extension does not create a greater nuisance or detriment to the neighborhood: (2) the expanded uses are in conformity with the requirements of Articles VII, VIII and IX of this Ordinance.

5. Art. V, Section C

Presently reads: A nonconforming use permitted by Section A may be changed to another nonconforming use only upon approval of the Board of Adjustment, which shall first find that such use is no more objectionable in character than the old use.

Proposed: To omit this paragraph in its entirety and renumber the paragraphs of Art. V.

6. Art. V, Sections D & E

Proposed: Per proposed Amendment 5 these Articles become Sections C & D respectively.

7. Art. VI, Section A, Par. 3

Presently reads: Other Uses Permitted

(a) Agriculture, which shall include farming, dairying, pasturage, horticulture and animal and poultry husbandry.

Proposed: Other Uses Permitted

(a) Agriculture, which shall include farming, dairying, pasturage, horticulture, animal and poultry husbandry and seasonal agricultural roadside stands of not more

than 200 square feet measured by the outermost structural perimeter.

8. Art. VI, Section A, Par. 4

Presently reads: Highway Commercial Uses Permitted
(a) Certain areas along Route 16 depicted accurately on the Albany Zoning Map on file at the Albany Town Office Building.

(b) Commercial Use is defined as service type establishments such as stores, restaurants, service stations, laundries, travel agencies, and the like.

Proposed: Highway Commercial Uses Permitted in Limited Areas

(a) Commercial uses are permitted only in certain areas along Route 16 depicted accurately on the Albany Zoning Map which is incorporated herein, made part of this Ordinance and is on file at the Albany Town Office Building.

(b) Commercial use is defined as establishments such as stores, restaurants, service stations, laundries, travel agencies, or other like businesses which do not cause a nuisance, adversely affect the neighbors or the neighborhood, and do not violate the spirit of this Ordinance.

ADD (c) All other uses permitted under Art. VI, Section A, Par. 1, 2, and 3 of this Ordinance are also permitted in these areas.

9. Art. VI, Section B, Par. 7

Presently reads: 7. Greenhouses

Proposed: 7. Commercial Greenhouses

10. Art. VI, Section B, Par. 11

Presently reads: 11. Swimming pools public or private

Proposed: 11. Swimming pools for commercial use.

11. Art. VI, Section B, Par. 17

Presently reads: 17. Agricultural roadside stands

Proposed: 17. Campgrounds for commercial use.

12. Art. VIII, Section A

Presently reads: Home Occupations. The Board of Adjustment may grant a special exception for any home occupation such as woodworking, small engine repair, saw-sharpening, art studios, dressmaking, teaching, or such as the professional office of a physician, lawyer, dentist, architect or accountant upon finding that the requirements for a special exception as set forth in Article X, Section C hereof have been met and if (1) the home occupation is carried on wholly within 25% of the principal or accessory structure and/or on the same property; (2) objectionable noises, vibrations, smoke, dust, electrical disturbance, odors, heat or glare shall not be produced; (3) not more than three (3) employees are hired.

Proposed: Home Occupations. The Board of Adjustment may grant a special exception for any home occupation such as woodworking, small engine repair, saw sharpening, art studios, dressmaking, teaching, or such as the professional office of a physician, lawyer, dentist, architect, or accountant, upon finding that the requirements for a special exception as set forth in Art. X, Section C hereof have been met and if (1) the home occupation is carried on wholly within 25% of the principle or accessory structure and/or on the same property; (2) objectional noise, vibrations, smoke, dust, electrical disturbance, odors, heat or glare shall not be produced; (3) not more than three employees are hired on site exclusive of family members.

13. Art. X, Section D, Par. 3

Presently reads: The proposed use for which a variance is sought is not a use prohibited by this ordinance.

Proposed: To omit entire Par. 3

14. Art. XI, Section E

Presently reads: Penalties. Any person who violates any provision of this Ordinance may be fined not more than \$20.00 for each day such violation exists.

Proposed: Penalties. Any person who violates any provision of this Ordinance may be fined not more than \$100.00 for each day such violation exists.

WARRANT FOR ANNUAL MEETING OF THE ALBANY SCHOOL DISTRICT

To the inhabitants of the School District in the Town of Albany, qualified to vote in District affairs:

You are hereby notified to vote for School District Officers at the Town Hall in Albany on the 8th day of March, 1983. The polls will be open for this purpose from 10:00 a.m. to 6:00 p.m.

ARTICLE 1. To elect a Moderator for the ensuing year.

ARTICLE 2. To elect a Clerk for the ensuing year.

ARTICLE 3. To elect a member of the School Board for the ensuing three years.

ARTICLE 4. To elect a Treasurer for the ensuing year.

ARTICLE 5. To elect an Auditor for the ensuing year.

YOU ARE ALSO NOTIFIED TO MEET AT THE SAME PLACE AT 1:30 P.M. TO ACT UPON THE FOLLOWING ARTICLES:

ARTICLE 6. To see if the District will vote to authorize the Albany School Board to apply for, accept and expend in the name of the School District, such gifts, advances, grants in aid, or other funds for educational purposes as may be available or forthcoming from any source during the fiscal year, in accord with and upon such terms as are found in RSA 198:20-b.

ARTICLE 7. To see what sum of money the School District will vote to raise and appropriate to cover the cost of kindergarten students who will be eligible to attend the kindergarten program operated by the Conway School District.

ARTICLE 8. To see what sum of money the School District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the District.

ARTICLE 9. To transact any other business that may legally come before this meeting.

Given under our hands this day of February, 1983.

CONWAY ELEMENTARY SCHOOL PRINCIPAL'S REPORT

by David Hawkins

As the world of technology and change continues to amaze us, it becomes increasingly clear that the young adults entering the job market for the first time are probably the last that will be able to do so without a prerequisite of computer literacy. Our world has shrunk with advancing marvels of technology and everyday reports of diminishing resources.

As unemployment and economic hardship plague the nation, the Sunday papers carry pages of job openings for the high technological fields. Schools can no longer continue to produce citizens for just the industrial age. If the schools fail to be adaptable to the changing conditions of the society, we cannot expect to prepare students who are. Regardless of the reason why, or how we feel about constant change, we know that it is with us for good and probably at an ever increasing rate. Throughout all the changes the schools must maintain an essential core of basic skills and adapt themselves to remain relevant to the times.

The Conway Elementary School continues its pursuit of excellence; excellence not only in the academics, but excellence in the ability of its students to assume responsibility and make decisions. Children need to learn to appreciate what they have and how it came to be. They must also be allowed to dream of what could be. Seeing the forest from the trees is a learned task. Toward these goals we are forever striving, for it is our belief that the best school contain both words and ideas.

The Conway Elementary School remains committed to making those adjustments that will assure your child the greatest possible educational opportunity. We urge you to visit your schools and express your ideas and feelings. It is only through your continued support and involvement that the quality of educational opportunity will remain a source of pride for the entire community.

SUPERINTENDENT'S REPORT

by Robert B. Kautz and David Stickney

The districts of School Administrative Unit No. 9 have seen a great deal of activity on the part of the staff of their local schools and the SAU office in activities which have led to the continued provision of quality education. The recently completed evaluation of elementary schools, which was combined with the State Department of Education's review of how well the schools met minimum standards, gives the citizens of SAU #9, as well as the staff, a great deal to be proud of in terms of the education it affords the children who live here. The support that the community has provided the schools and the teaching staff is greatly appreciated and has helped facilitate quality education in School Administrative Unit No. 9.

The staff of the individual schools of SAU #9 have begun to implement, for all grade levels, a drug and alcohol abuse program. This program has been developed in response to a growing national as well as local need to provide children with the skills to make proper decisions regarding the use of alcohol and drugs. The program is being developed in conjunction with the alcohol and drug abuse section of the New Hampshire State Department of Education. It is hoped that the community is aware of the seriousness of this problem, and we encourage you to accept your responsibility in dealing with this issue. It is through school and community cooperation that we will be able to provide a healthy environment for our children.

Computers, it seems, affect every phase of our daily life. It is currently estimated that 85% of all employment has some contact with a computer. To meet this challenge microcomputers are being purchased for our schools. At the elementary level, children are learning about the use, history, and resources of the computer as well as being assisted in their classroom instruction by computer programs. On the secondary level, a computer programming course has been

instituted. The continued development of computer curriculums and use of the computers will prepare the youngsters to not only be computer literate but also give them the skills to compete in the world they face upon graduation.

Activity continues on the goals established by the SAU #9 school boards in the spring of 1981. Specifically, a computer curriculum for grades K-8 will be implemented this spring to improve the math curriculum. Teachers will continue to stress improvement in the curriculum area of writing. Also, the principals and teaching staff in conjunction with our office will be working together to develop a plan for monitoring each individual child's academic progress for the major curriculum areas. The realization of these goals has been accomplished after many staff hours of planning, attending workshops, and training.

The purchase of diesel buses has proven to be a major cost saving undertaking. Many of the districts will realize a substantial savings in fuel costs. Another cost saving project which has been undertaken during the past year was the modification of school buildings to improve their energy efficiency. The insulating of windows and changing of lighting to more energy efficient types were but two of the projects which will result in lower energy costs to the school districts. The concept of providing a quality education at a fair and realistic cost is a goal that is being achieved and will continue to be a goal.

In closing, I, as Superintendent, wish to thank all my fellow educators, citizens, and students for the courtesies, considerations and cooperation extended to me in the school districts that I have represented since July of 1976. It has been a pleasure to have served you all and to have had the opportunity to work along side such a number of professionals that I deeply admire and respect.

Our goal has been to constantly improve the educational opportunities for all of our children, and through a lot of hard work and cooperation this has been occurring. It is my hope that everyone within all of our communities will work together and accept their individual and collective responsibilities to make this beautiful valley a fine, wholesome

place to live and work. It is my hope that parents will re-awaken in themselves and their children the true spirit of family and become acutely aware and concerned with what their children are doing in their personal lives as well as in their educational program. It is my hope that persons will work to contribute to the community, both as elected officials as well as supporters of community activities in order that life for all becomes better. Let everyone work from a positive aspect, and with this much will be achieved.

Our children are a valuable resource. Our schools are striving to improve themselves and, therefore, improve the education for children. We need the cooperation and concern of the community together with the schools in order to assure a brighter and more secure future for everyone. It is my hope that I have contributed to that and that this effort shall continue to grow and prosper. Thank you sincerely for having had the opportunity to serve the communities of School Administrative Unit No. 9.

SPECIAL EDUCATION DIRECTOR'S AND TITLE I COORDINATOR'S REPORT

by Elaine M. Woodman

It is the purpose of the State of New Hampshire to insure that the State Board of Education and the local school districts of this State provide a free and appropriate public education for all children. Included in this is the education of all handicapped children. Special education means instruction specifically designed to meet the unique needs of the educationally handicapped student. This instruction is team designed; is delivered in a variety of settings; and services the youngsters in our community ages 3-21 years of age no matter what the diversity of need.

Tremendous support was given in the SAU #9 communities concerning federal changes in the special education law. The sensitivity and caring for the well-being of others was demonstrated; and parents, teachers, and friends addressed the continued need for special education to the legislature.

One of the largest areas of growth has been the efforts in the early childhood area. To ensure early intervention, monthly diagnostic pre-school screening programs have been developed. A team of individuals skilled in a variety of disciplines observe, assess, and prescribe a plan to help these youngsters. Three center-based programs have been implemented in the locations of Tamworth, Conway and Bartlett. Home-based support services and inter-agency communications have all been strengthened. This will develop a cooperative effort in addressing the needs of our children and provide them with the support they need as early as possible. The major benefit of this program is prevention of learning problems.

At the elementary schools, programs vary from consultation and program modification in the regular classroom structure to the varied amounts of resource room specialized programming. We are attempting, to the best of our ability,

to make sure that the program fits the child's needs rather than the child fit the existing program.

The goal for the entire special education department this year has been to bridge the gap between regular education and special education. If children learn best from modeling their peers, then the least restrictive environment, the mainstreamed classroom, offers an appropriate learning experience for students. Whenever possible, children receive the expertise of both special and regular educators.

Staff development is an ongoing process in special education. Special education teachers are constantly pursuing results from current research studies on working with both the handicapped and children with minimal learning deficits. This is highly commendable and ensures that these specialized programs for children constantly improve rather than maintaining the same.

Parents, as the first and primary teachers of their children, play a significant role in the success of any school program. Their involvement in special education is twice as valuable.

Title I serves approximately 200 children in grades 1-8 in SAU #9 who need extra help in reading skills. With the Federal funds granted to SAU #9 schools, specialists and trained tutors are hired for each of the elementary schools and the junior high school to write and implement educational plans for remediation of reading difficulties. Emphasis is on supplementing basic reading skills while creating a positive attitude of confidence in students.

When a decision has been made that a child needs Title I services, the Title I staff will receive permission from the parent to test and work with the child. Staff members confer with the classroom teachers and individualize instruction. Title I activities enrich and supplement, but do not take the place of classroom reading. Students work at their own pace on materials geared to their own diagnosed needs and abilities.

In conclusion, it is with much pleasure that I share with

you our efforts in special education and Title I. It is because of parents, teachers, students, board members, and the community - working, supporting and trusting one another - that has resulted in quality special education programs for handicapped children and Title I support programs in our schools.

KILLION, PLODZIK & SANDERSON
ACCOUNTANTS AND AUDITORS
171 North Main Street
Concord, New Hampshire 03301

To the Members of the
School Administrative Unit No. 9 Board
Conway, New Hampshire

We have examined the combined financial statements of the various funds of the School Administrative Unit No. 9 as of and for the fiscal year ended June 30, 1982, as listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset group of accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset group of accounts results in an incomplete presentation as explained in the above paragraph, the combined financial statements referred to above present fairly the financial position of the School Administrative Unit No. 9 at June 30, 1982, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The accompanying financial information listed as supporting schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the School Administrative Unit No. 9. The information has been subjected to the auditing procedures applied in the examination

of the combined financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.
